Lent 2026

Lent is a season in the Christian year that leads up to Easter and encourages people to slow down and reflect. It starts on Ash Wednesday and lasts forty days, remembering the time Jesus spent fasting in the desert. During Lent, many people choose to pray more, give something up, or help others. It's a time to seek God afresh and focus on what really matters. We hope the following programme will help you keep a Holy Lent.

All Saints Eco Group

Over the past year the Eco Group have been looking at how to increase our knowledge on the individual actions we can all take that collectively will help reduce our carbon footprint and help to look after our environment. There have been regular top tips in the weekly newsletter, a talk on what happens once our Blue Bin waste has been collected, a prayer walk giving us an opportunity to notice nature around All Saints as well as a wide range of actions taken by individuals. Many of these ideas came from members of the congregation as part of thinking about how they planned on reducing their carbon footprint - with people making pledges last year as part of Lent. A year on we would like to ask again for your suggestions, on a footprint and we will display your ideas around church, and use them to help inform plans over the coming months. You could draw round your own foot or be creative and develop one from recycled material. There will be a box at the back of church for you to put your contribution in.

Resources for Daily Prayer at home or at work

You may find it helpful to use a structured form of prayer with a regular pattern of scripture, praise and prayers. Among the many books and websites which offer this, the following are recommended:

- **Common Worship: Daily Prayer** – contains a simple form of “prayer during the Day” as well as Morning, Evening and Night Prayer. Daily Prayer is available as a book or online.
- **Stations of the Cross devotion** – a set of short meditations and prayers you can use during Lent at home:
theanglican anchoress.com/stations-of-the-cross
- Your Daily Prayer online sacredspace.com/daily-prayer
- **Sacred Space** – a very simple form of prayer online, provided by the Irish Jesuits, using reflective reading of short passages of scripture:
www.sacredspace.ie

The Church of England’s theme for Lent 2026 is **Draw Near: Life-giving habits for Lent**. This year’s resources for personal reflection have at their heart the theme of a ‘rhythm of life’ – habits and patterns which help us grow as disciples of Christ day by day, especially as we prepare to celebrate the great mystery of God’s saving love at Easter.
